Won By Maysville From Paris Yesterday By the Score of 11 to 10—Five Pitches Used.

Maysville made it two straight from Paris yesterday by defeating the Bourbons by the close score of 11 to 10. The game was an old-time slugging match and was anybody's until the last mads was out.

Doc Crowe started the game for Maysville but was replaced by Raemes in the second with the bases full and no one out. Then the fun commenced. The Paris aggregation started to whaling the ball and piled up seven runs.

The Cubs came right back at them in the next two innings and got enough runs to win the game. Long was pounded hard in the third and was replaced by Cefaula, who allowed three runs in the next inning, after which he settled down and was practically unhit.

Paris hit Raemes and he was replaced by Goth in the last part of the ninth inning.

DEADLY CROSSING

Mrs. C. F. Zweigart Struck By C. & O. No. 2 and Instantly Killed Yesterday Afternoon

Had Crossed the Track To Feed Some Young Ducks

Mrs. Mary M. Zweigart, wife of Mr. Christian F. Zweigart, was struck and instantly killed yesterday afternoon by the C. & O. No. 2 in the West End as the train was nearing the station. Her body was thrown a distance of 50 feet and nearly every bone was broken. She was picked up by the train crew and taken to the depot from where her remains were later removed to the undertaking establishment of John W. Porter. The coroner's inquest will be held tomorrow.

All of Maysville was horrified by the deplorable accident. Mrs. Zweigart had been across the railroad tracks to the North to feed some little ducks, and to keep from waiting for a West moving freight to pass she stepped across the North track in front of the freight onto the South track a few feet in front of the Flyer which was pulling into the depot from the West and which she did not see, her attention being centered in the freight train.

Mr. C. F. Zweigart had left Wednesday morning for Kansas City and one son, Chambers, was in Portland, Ore., and his daughter, Jennie, was in Chicago at the time. They were summoned immediately and will probably arrive here today.

Mrs. Zweigart was 47 years of age, being born in Brown County, Ohio, in 1867. Her maiden name was Mary J. Martin, and she was the daughter of the late Thos. Martin. After her marriage to Mr. Zweigart they have since lived in the West End of this city. She leaves a husband, four sons, Thomas F., Charles, Chambers and John Zweigart, and one daughter, Miss Jennie Zweigart, at school at Cincinnati, and one brother, Chambers L. Martin, of Brown County, Ohio, to mourn her death.

Mrs. Zweigart was well known throughout this and adjoining counties and had many friends who join with the relatives in their loss. She was a member of the Christian Church, this city, and was a lovely, sweet woman, with an angelic character.

The entire community is thrown into sadness by the manner in which Mrs. Zweigart met her death. The funeral arrangements have not been made, but will be announced tomorrow.

One son, Charles, is now speeding home from Portland, Ore., to be at his father's funeral. Christian, a student at O. M. I. is now here.

The shocked husband had left Tuesday on a business trip to Arkansas, but the wires located him at Stuttgart, Ark., and he will return home today.

Deafness Cannot be Cured
by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; unless a course of treatment is taken at once, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circular free.
